

Social Media Marketing Masterclass

Why Attend

- The Social Media Marketing Masterclass course demonstrates fundamental concepts and advanced techniques in social media marketing to participants, with or without previous experience in the field. Social media platforms covered on this course include Facebook, Instagram, Twitter, Snapchat, Pinterest, LinkedIn, YouTube and TikTok. The course will cover campaign building, lead generation and analytics for each of these platforms.
- This is a specialization course that focuses on social media marketing and can be taken as a complement with other digital marketing courses such as “Digital Marketing Practitioner” or “Certified Digital Marketing Specialist”. The course involves a variety of case studies, hands-on demonstrations and exercises to develop the right skills needed to create and implement engaging and effective social media strategies.

Course Methodology

- This course is highly interactive with group exercises, case studies, and videos utilized as integral tools within the learning.

Course Objectives

By the end of the course, participants will be able to:

- Understand the value and benefits of social media
- Implement an effective social media marketing campaign
- Understand best practice in content creation, publishing and reporting on various social media channels
- Create and manage successful campaigns on Facebook, Instagram, Twitter, LinkedIn, Snapchat, TikTok and other relevant social media channels
- Understand the rules of engagement and create a community of engaged followers
- Utilize social media analytics to measure and improve performance

Target Audience
